Events this Week (4/19-4/25)

No activities

• **The Mission Well** welcomes your change! Lighten your pockets or purse today or any time to support the offering of the month. The April Mission Offering supports the United Methodist Committee on Relief (UMCOR). UMCOR provides help from natural disasters throughout world including Tennessee which is recovering from tornados, and Puerto Rico, recovering from an earthquake. UMCOR also has a health component that is working on aid and resources to help in the fight against the COVID-19 virus. The Mission Well is located in the church lobby or you can send in money designated for UMCOR.

• **The Care Corner** is available, located on the landing under the steps in the narthex (lobby). But since you cannot be in the building, please send cards or make phone calls to people. If you are unsure of an address or phone number please call the church office or Pastor Gail.

• **Prayer Squares**
On the table under the steps in a basket are "prayer squares." These squares are like a prayer shawl but small enough that you can hold them in your hand. If you or someone you know need one, please feel free to take one. If you or someone you know need a prayer shawl, please talk to Pastor.

• **We have received word** that we are not to have gatherings of more than 10 people until April 30. Before that time evaluation will be made if we need to go into May. That means we will not have gathered worship for the month of April. Since Palm Sunday, Maundy Thursday and Easter Sunday come during this time, be watching for special presentations and activities.

• **Please do not bring food** to Faith for the Neighbors food shelf; they are currently not accepting food. If you wish to support Neighbors, please send a check to them directly or to the church with 'Neighbors' in the memo line.
