

Faith UMC
2020 Fall
Breakthrough Prayer

Gracious and Loving God,

Send your Holy Spirit to me this autumn. In your wisdom and power, I ask that you:

- τ Break through in my life and in the lives of all those that I meet, showing us ways to connect more closely to you.
- τ Boldly use me, without limits, delays, or excuses, to live out the life you would have me lead.
- τ Show me and all those connected to Faith UMC in West St. Paul the direction you would have us go to show your love to our community.

I pray all this in the holy name of Christ.

AMEN
