

Join Faith UMC throughout Lent praying for God's presence with our congregation in this season. Pick a time each day to pray these words as we walk with God through a time of transition.

God of endings and beginnings, walk with our congregation.

We know that you go before us and with us as we move from one place to another, yet we are not sure what the future brings. Our building has been the home of baptisms, confirmations, weddings and funerals. The walls tell the story of a people, your people, and how we have lived in you.

Help us to see you in this time of transition. To be here until we are there. To know that you are both here and there. Be with us in the stillness and in the moving, God, that we might know your peace in the chaos.

Amen.
