

Join Faith UMC throughout this Fall in praying for God's guidance for our congregation in this season. Pick a time each day to pray these words as we open ourselves to God's direction.

God, teach us to love you with our whole hearts. Help us to love you, love one another, and love our neighbors.

God, teach us to love you with our whole souls. Help us to be continually reaching out to you, listening for you, and worshipping you.

God, teach us to love you with our whole minds. Help us to read, think, and ponder on your Word, considering well its lessons for our lives.

God, teach us to love you with all our strength, reaching out a hand when we see anyone in need, bearing one another's burdens and doing your work in the world.

God, guide us, that we might grow closer to you with our whole hearts, whole souls, whole minds and whole strength. Amen.
